

City of Los Altos Sidewalk Dining Program Guide

May 2023

Program Overview

This program guide describes the procedures existing and proposed downtown businesses must follow to be permitted for outdoor dining within the public right-of-way immediately adjacent to the establishment. Interested businesses must provide a complete submittal with all required documents and the initial application fee to the City of Los Altos for consideration.

Approved dining areas are executed by a City Removal & Maintenance Agreement that is reviewed annually for operational standards set forth within this Program Guide. Each approved dining area shall be automatically renewed each year unless otherwise determined during its annual review.

City staff will complete an annual inspection in addition to ongoing monitoring to verify and ensure aesthetics, cleanliness, and the approved precise seating layout of the dining area are maintained. Approved dining areas shall remain safe and compliant with all applicable accessibility standards including but not limited to the Americans with Disabilities Act Accessibility Standards and Chapter 11B of the California Building Code, Los Altos Municipal Code, or other applicable laws.

Any inspections performed by the City are for its sole and exclusive benefit and for the benefit of the general public, and a business owner should not rely on the fact that the City has performed an inspection as evidence that the business' dining area is safe or compliant with applicable accessibility standards including but not limited to the Americans with Disabilities Act Accessibility Standards and Chapter 11B of the California Building Code, Los Altos Municipal Code, or other applicable laws.

**CITY OF LOS ALTOS
CITY REMOVAL & MAINTENANCE AGREEMENT**

This SIDEWALK DINING PROGRAM PERMIT AND AGREEMENT (this “Agreement”) is entered into as of _____, 202__ (the “Effective Date”), by and between the City of Los Altos (the “City”) and _____ (“Permittee”) with respect to the following facts:

- A. Permittee operates a dining facility within the City.
- B. To facilitate outdoor dining, Permittee desires to locate displays, furniture, and other property (“Outdoor Property”) in front of Permittee’s dining facility on sidewalks within the public right-of-way (the “ROW”).
- C. The City desires to grant Permittee the privilege of using the ROW on terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

- 1. Permittee may locate outdoor dining furniture within the ROW subject to the requirements of the City’s Dining area Program Guide, which may be amended at any time by the City in its sole and absolute discretion with or without notice. The precise location and arrangement of such outdoor dining furniture shall be in accordance with the approved plans submitted by Permittee with its application for this Agreement, as shown for reference in **Exhibit A** hereto. City staff may, from time to time in their sole and absolute discretion, require changes to these approved plans as may be necessary or conducive to the health, safety, or convenience of the general public.
- 2. Permittee’s use of the ROW pursuant to this Agreement is conditioned as follows:
 - a. Permittee shall comply with all applicable laws in its operations under this Agreement, including, without limitation, the Americans with Disabilities Act and other applicable disability access laws.
 - b. Permittee shall hold harmless, indemnify, and defend (with counsel reasonably acceptable to the City) the City, its elected and appointed officers, agents, employees, and volunteers from all damages, costs, and expenses whatsoever in law or equity (including, without limitation, reasonable attorneys’ fees), arising from Permittee’s operations under this Agreement, unless caused by the City’s own gross negligence or willful misconduct. Without limiting the generality of the foregoing, Permittee’s indemnification and defense obligations extend to, (i) claims for any property damage or personal injury arising from an alleged dangerous condition of any public property used by Permittee in its operations under this Agreement; (ii) claims for any property damage or personal injury arising from any condition of public or private property created or maintained by Permittee in connection with its operations under this Agreement; and (iii) claims under the Americans with Disabilities Act or other applicable disability access laws that arise in connection with Permittee’s operations under this Agreement. The obligations under this Paragraph shall survive the termination of this Agreement.

- d. Permittee shall obtain and maintain insurance in amounts and on such terms and conditions as set forth in **Exhibit B** hereto.
 - e. Permittee shall not cause or allow its Outdoor Property to cause any public or private nuisance or otherwise to result in any adverse effect on nearby public or private property. Such Outdoor Property, including any railings or similar enclosures, shall be appropriately designed, executed, and maintained to be complementary to the appearance and operation of the surroundings. Outdoor Property shall be made generally from metal or wood, but not from plastic. Signs shall be limited to restaurant menu boards and shall not simply advertise a business address or phone number.
 - f. Permittee shall keep the ROW and Permittee's Outdoor Property in a neat, clean, safe, and sanitary condition, free from debris and food and drink stains.
3. Permittee expressly agrees and understands that the City has no duty to ensure that Permittee's operations will comply with applicable laws. If the City does or has done anything to ensure that Permittee's operations will comply with any applicable laws, including, without limitation, the Americans with Disabilities Act or other disability access laws, it is agreed and understood that the City has done so exclusively for its own benefit and for the benefit of the general public, and Permittee shall not rely thereon. Permittee is encouraged to have its operations under this Agreement inspected by a certified access specialist.
 4. This Agreement constitutes a nonexclusive license and may be revoked at any time by the City with or without cause and without prior notice. Permittee acknowledges that by entering into this Agreement and by making use of the ROW, Permittee is not acquiring any estate whatsoever in the ROW or any other public property.
 5. Unless terminated sooner by the City, this Agreement shall terminate on December 31, 202___. This Agreement shall also terminate automatically if Permittee ceases its restaurant operations at the subject location for a period of 30 days or more. Unless the City in its sole and absolute discretion agrees to enter into a subsequent permit and agreement with Permittee for use of the ROW, immediately upon the termination of this Agreement Permittee shall remove its Outdoor Property from the ROW and shall cease its use of the ROW for outdoor dining.
 6. A breach by Permittee of the terms and conditions of this Agreement shall constitute both a breach of contract that may be enjoined by a court of competent jurisdiction and a public nuisance that may be abated pursuant to Part 3 of Division 4 of the California Civil Code and Chapter 11.10 of the Los Altos Municipal Code. These remedies shall be cumulative of all other remedies available to the City at law or in equity. The City shall be entitled to recover from Permittee any attorneys' fees, legal costs, or other expenses incurred in enforcing this Agreement.
 7. PERMITTEE ACCEPTS THE USE OF THE ROW **AS-IS**. THE CITY MAKES NO REPRESENTATION WHATSOEVER ABOUT THE SUITABILITY OF THE ROW FOR THE USES ALLOWED UNDER THIS AGREEMENT. IN CONSIDERATION OF THE CITY'S WILLINGNESS TO ALLOW PERMITTEE TO USE THE ROW, PERMITTEE EXPRESSLY ASSUMES ALL RISK OF LOSS OF EVERY KIND AND NATURE ARISING FROM OR IN CONNECTION WITH SUCH USE.
 8. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof. This Agreement may not be modified without the City's written consent. No waiver of this Agreement shall be valid unless in writing, and no waiver shall operate as a continuing

waiver. There are no third-party intended beneficiaries of this Agreement. This Agreement may be signed in counterparts, each of which shall be deemed an original. Electronic signatures may be used in place of original signatures.

9. It is agreed and understood that the paramount purpose of this Agreement is to protect the City and its taxpayers from liability in connection with Permittee's operations under this Agreement. Any ambiguity in this Agreement shall be construed in the manner that best achieves its purposes, and this Agreement shall not be construed against its drafter. This Agreement shall be of no further force or effect if any obligation of Permittee hereunder is found by a court of competent jurisdiction to be invalid or unenforceable. Notwithstanding the foregoing, and to the maximum extent allowed under applicable law, if any provision of this Agreement is found by a court of competent jurisdiction to be void or unenforceable, Permittee's indemnification, defense, and insurance obligations hereunder shall nonetheless be fully enforceable and shall survive the termination of this Agreement. It is further agreed and understood that this Agreement confers an encroachment permit on Permittee, and this Agreement shall be construed not only as a contract, but also as a regulatory permit. Any fees paid in connection with this Agreement have been paid to defray the cost of permit processing.
10. Permittee agrees and understands that it may be subject to payment of property taxes for use of the City's ROW and shall indemnify and hold harmless the City from any and all property taxes that may be imposed against the City arising from or relating to the Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.
