Candidate Statement For:

Office Sought: Member, Los Altos City Council
Candidate Name: Sally Meadows

CITY OF LOS ALTOS

Occupation: Councilmember/Retired Biopharmaceutical Executive

Education and Qualifications:

Los Altos has been my home for 28 years. My children grew up here and attended our excellent public schools. I have spent the past 15 years serving our community as a nonprofit volunteer and most recently as Councilmember and Mayor (in 2023).

I am running for reelection to build on the accomplishments of the last four years and to promote collaborative governance to meet our goals. We achieved a balanced budget, reduced legal expenses, improved public safety (e.g. ALPRs), our Housing Element was certified by the State, and we aligned around clear, consistent budget priorities. I know we can keep building on this progress.

I have also represented our city to develop regional solutions to address our common issues in Santa Clara County. I have served on boards such as Silicon Valley Clean Energy (SVCE); Community Health Awareness Council (CHAC); Santa Clara County Library District, and Cities Association of Santa Clara County.

I am committed to continue working together to keep Los Altos a vibrant, safe and inclusive community for all of us.

I respectfully ask for your vote on November 5, 2024.
