

Candidate Statement – Jonathan Weinberg

Occupation: Attorney, Councilmember

Age: 53

It has been an honor to serve Los Altos as a Councilmember for the past four years, and as Mayor in 2024. I am proud to report that I fought for and accomplished positive changes.

We passed a transparent and balanced budget every year I have been on the Council.

The Council changed how we approach road repairs so that the focus is on safe routes to schools.

I helped the City extricate itself from costly lawsuits that drained our coffers. I helped lead the Council's efforts to adopt a new Housing Element to our General Plan, our Complete Streets Master Plan, and our Climate Action and Adaptation Plan.

In the coming years, I will prioritize financing a new police station and repairs to our fire stations; downtown vibrancy; environmental sustainability; and work collaboratively with telecoms to promote the installation of 5G wireless technology throughout Los Altos for the benefit of residents and businesses.

I am grateful I earned your trust and your vote four years ago, and I am proud of my accomplishments. I humbly request your vote again so that I can continue to represent our community.
