Staff Recommendation:

Appoint individuals to fill vacancies on the Complete Streets, Environmental, and Planning Commissions

Subject: Commission appointments

Purpose

To fill vacancies on the Complete Streets, Environmental, and Planning Commissions.

Background

The City Council appoints individuals to serve on the various City Commissions and one Committee. Commissioners (except Senior Commissioners) are appointed to four-year terms and may serve two consecutive terms plus the fulfillment of an unexpired term should they be so appointed.

Discussion/Analysis

A total of three Commission vacancies currently exist. The City Clerk's office conducted a recruitment during April 2018 to fill one vacancy each on the Complete Streets Commission, Environmental Commission, and Planning Commission.

Options

- 1) Appoint individuals to serve on the various Commissions

Advantages: Fills the various positions on the Commissions

Disadvantages: None identified

- 2) Direct staff to conduct a new recruitment for additional applicants

Advantages: Provides an opportunity for additional individuals to apply

Disadvantages: Delays the appointment of the Commissioners

Recommendation

The staff recommends Option 1.
