Subject: Commission appointments

Purpose

To fill vacancies on the Parks and Recreation, Planning, and Senior Commissions

Background

The City Council appoints individuals to serve on the various City Commissions and one Committee. With the exception of Senior and Youth Commissioners, members are appointed to four-year terms and may serve a total of two consecutive terms plus the fulfillment of an unexpired term should they be so appointed. Senior Commissioners may serve four, two-year terms. Youth Commissioners may serve two-year terms through the conclusion of their final year in high school.

Discussion/Analysis

One vacancy on the Planning Commission (expiring September 2022), two vacancies on the Parks and Recreation Commission (both expiring March 2021), and one vacancy on the Senior Commission (expiring March 2020) exist.

Options

- 1) Appoint individuals to serve on the various Commissions

Advantages: Fills the various positions on the Commissions

Disadvantages: None identified

- 2) Direct staff to conduct a new recruitment for additional applicants

Advantages: Provides an opportunity for additional individuals to apply

Disadvantages: Delays the appointment of the Commissioners

Recommendation

The staff recommends Option 1.
