Subject: Emergency Declaration Resolution

Purpose

To adopt a resolution extending the existing declaration of emergency

Background

On March 12, 2020, the City Manager issued an Emergency Declaration in response to the COVID-19 pandemic. On March 17, 2020, the City Council adopted Resolution No. 2020-08 ratifying the Emergency Proclamation. On August 24, 2021, the City Council adopted Resolution No. 2021-46 continuing the declaration of the existence of a local emergency due to the COVID-19 pandemic.

The threat posed by COVID-19 continues to pose a serious risk to the public health and safety of the City of Los Altos.

Discussion/Analysis

Resolution No. 2021-46, adopted on August 24, 2021, states that the Director of Emergency Services (City Manager) is to report to the City Council within sixty (60) days on the need for further continuing the local emergency.

AB 361, signed into law on September 15, 2021, allows a public agency to continue to hold virtual City Council and Commission meetings while under a declaration of emergency without complying with certain elements of the Ralph M. Brown Act. The bill requires that a legislative body renew the declaration of emergency every 30 days in order to continue meeting in this matter.

Recommendation

The staff recommends Council adopt the attached resolution extending the declaration of emergency due to the COVID-19 pandemic.

RESOLUTION NO. 2021-51

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALTOS
DECLARING THE EXISTENCE OF A LOCAL EMERGENCY DUE TO
THE COVID-19 PANDEMIC**

WHEREAS, on March 4, 2020, the Governor issued a proclamation of a state of emergency relating to the respiratory illness known as COVID-19, which is caused by the novel corona virus SARS-CoV-2; and

WHEREAS, on March 11, 2020, the World Health Organization declared the existence of a pandemic due to the global spread of COVID-19; and

WHEREAS, on March 12, 2020, the Los Altos City Manager, in his capacity as the City's Director of Emergency Services, proclaimed a local emergency in response to the escalation of COVID-19 to a pandemic, and on March 17, 2020, the City Council adopted Resolution 2020-08 ratifying and continuing the proclamation of local emergency; and

WHEREAS, on March 16, 2020, the Santa Clara County Health Officer issued the first of successive orders requiring all individuals residing in the County to shelter in their places of residence as specified, to socially distance, and to take other measures to prevent community spread of COVID-19; and

WHEREAS, on March 19, 2020, the Governor issued a statewide shelter-in-place order; and on August 28, 2020, the Governor announced a "Blueprint for a Safer Economy," which provided protocols for slowly reopening the state's economy following the initial shelter-in-place mandate; and

WHEREAS, on August 24, 2021, the City Council adopted Resolution No. 2021-46 extending the declaration of a local emergency; and

WHEREAS, by the beginning of October 2021, over 1,775 Santa Clara County residents had died of COVID-19; and

WHEREAS, due to the diligence of Los Altos residents in complying with health guidance Los Altos has one of the lowest rates of reported incidence of COVID-19 infection in Santa Clara County; and

WHEREAS, vaccines provide proven protection against COVID-19; and

WHEREAS, by the beginning of October 2021, approximately 84 percent of Santa Clara County residents over the age of 12 had been vaccinated, and statewide vaccination rates were higher than the national average; and

WHEREAS, the Governor lifted the Blueprint for a Safer Economy on June 15, 2021, and local health restrictions have also been lifted due to sharp declines in COVID-19 case counts since vaccines first became available; and

WHEREAS, despite progress in addressing the pandemic, not all eligible individuals are fully vaccinated, and new, more virulent variants of the SARS-CoV-2 virus are spreading in California and throughout the world; and

WHEREAS, according to the California Department of Public Health, by July 21, 2021, nearly 85 percent of new COVID-19 cases in California were caused by the highly contagious “delta” variant; and

WHEREAS, although breakthrough infections are rare for fully vaccinated individuals, available COVID-19 vaccines have proven less effective against the delta variant than against prior strains of the SARS-CoV-2 virus; and

WHEREAS, due to the spread of the delta variant and because not all eligible persons are vaccinated yet, the incidence of COVID-19 infection is again on the rise in Santa Clara County; and

WHEREAS, according to the Santa Clara County Health Department, by July 1, 2021, the 7-day average of new COVID-19 cases reported in Santa Clara County was down to 37 cases per day, but three weeks later on July 22, 2021, the 7-day average was up to 188 cases per day; and

WHEREAS, as a result of rising case counts, on August 2, 2021, the Santa Clara County Health Officer issued a new health order requiring the use of face coverings indoors by all persons; and

WHEREAS, despite significant progress, COVID-19 remains a threat to public health and safety in the Los Altos community; and

WHEREAS, throughout the pandemic, the City of Los Altos has taken steps to address the health crisis, for example, by facilitating outdoor dining within the City; and

WHEREAS, AB 361 requires the City Council make findings every thirty (30) days reaffirming the existence of a local emergency; and

WHEREAS, in view of the ongoing health crisis, the City Council now desires to affirm its existing declaration of local emergency.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Los Altos that:

1. The City Council has reviewed the need for continuing the declaration of local emergency and finds, based on substantial evidence, that the foregoing recitals are true and correct and that the public interest and necessity require the continuance of the proclamation of local emergency related to COVID-19.
2. Said local emergency shall be deemed to continue to exist until terminated by the City Council of the City of Los Altos.
3. The Director of Emergency Services is hereby directed to report to the City Council within thirty (30) days on the need for further continuing the local emergency and, if deemed appropriate, the City Council may take further action.
