AGENDA ITEM # 4

TO: Complete Streets Commission
FROM: Aruna Bodduna, Staff Liaison
SUBJECT: VTA's Pedestrian Access to Transit Plan

RECOMMENDATION:

Receive information regarding VTA's Pedestrian Access to Transit Plan

BACKGROUND

In September 2017, the VTA Board of Directors adopted VTA's Pedestrian Access to Transit Plan. The plan identifies twelve Focus Areas that have high need for improvements for VTA's bus customers. One Focus Area is located along El Camino Real near El Monte Ave, and includes project recommendations in Los Altos. All projects in the plan are eligible for 2016 Measure B funding.

The plan can be downloaded from www.vta.org/pedestrian-plan
An interactive map of projects can be found at: <https://gis.vta.org/pedaccess/>

VTA staff will provide an overview of the plan development, Los Altos recommendations, and potential implementation strategies.
