AGENDA ITEM # 5

TO: Complete Streets Commission

FROM: Aruna Bodduna, Staff Liaison

SUBJECT: Bike to Work Day

RECOMMENDATION:

Receive information and confirm items needed for Bike to Work Day

BACKGROUND

As a part of its Community Outreach goal, the Los Altos Complete Streets Commission (CSC) hosts an Energizer Station at the northwest corner of Foothill Expressway and Main Street in support of the Silicon Valley Bike Coalition's annual Bike to Work Day event. This year's Bike to Work Day is Thursday, May 10, 2018.

DISCUSSION

Below is a list of items provided by commissioners for the event last year:

- Tables
- Pens, paper, clipboards
- SVBC bags
- Hand pump
- Coffee Cake
- Peet's Coffee, creamer and sugar
- Orange Slices
- Water

Other items typically needed include: water, cups, garbage bags, and napkins. Staff will bring the CSC banner. The CSC also conducts bike counts which include the number of riders stopping at the energizer station, and the number of riders traveling north and south past the energizer station on Foothill Expressway. Staff requests the CSC to identify CSC members who will provide items listed above and provide any updates regarding the event and/or items needed for Bike to Work Day.
