AGENDA ITEM # 6

TO: Complete Streets Commission

FROM: Aruna Bodduna, Staff Liaison

SUBJECT: Work Plan

RECOMMENDATION:

Receive update from workplan sub-committee

BACKGROUND

The work plan is a tool to guide the commission's activities during the commission year. Work plans are meant to be flexible and can adjust at the commission and staff's discretion. The City Council's goal is to provide leeway to the commissions to address issues that may come up outside of their goals in the work plan. On March 27, 2018, the City Council will review the CSC work plan during their joint City Council/Commission meetings.

DISCUSSION

The work plan sub-committee will present their report.
