**WHEREAS**, the California Statewide Communities Development Authority (California Communities) is a joint exercise of powers authority the members of which include numerous cities and counties in the State of California including the City of Los Altos; and

**WHEREAS**, California Communities has established the CaliforniaFIRST Program to allow the financing of certain renewable energy, energy efficiency and water efficiency improvements through the levy of contractual assessments pursuant to Chapter 29 of Division 7 of the Streets and Highways Code and the issuance of improvement bonds under the Improvement Bond Act of 1915 (Streets and Highways Code Sections 8500 and following) upon the security of the unpaid contractual assessments; and

**WHEREAS**, Chapter 29 provides that assessments may be levied under its provisions only with the free and willing consent of the owner of each lot or parcel on which an assessment is levied at the time the assessment is levied; and

**WHEREAS**, the City of Los Altos desires to allow the owners of property within its jurisdiction to participate in the CaliforniaFIRST Program and to allow California Communities to conduct assessment proceedings under Chapter 29 and to issue Bonds under the 1915 Act to finance the Improvements; and

**WHEREAS**, California Communities will conduct assessment proceedings under Chapter 29 and issue Bonds under the 1915 Act to finance Improvements;

**WHEREAS**, there has been presented at this meeting a proposed form of Resolution of Intention to be adopted by California Communities in connection with such assessment proceedings, a copy of which is attached hereto as Exhibit A, and the territory within which assessments may be levied for the CaliforniaFIRST Program shall include all of the territory within the City's official boundaries of record; and

**WHEREAS**, the City will not be responsible for the conduct of any assessment proceedings; the levy or collection of assessments or any required remedial action in the case of delinquencies in such assessment payments; or the issuance, sale or administration of the Bonds or any other bonds issued in connection with the CaliforniaFIRST Program; and

**WHEREAS**, pursuant to Government Code Section 6586.5, a notice of public hearing has been published once at least five days prior to the date hereof in a newspaper of general circulation in the City and a public hearing has been duly conducted by this City Council concerning the significant public benefits of the CaliforniaFIRST Program and the financing of the Improvements;

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Los Altos as follows:

Section 1. On the date hereof, the City Council held a public hearing and the City Council hereby finds and declares that the issuance of bonds by California Communities in connection with the CaliforniaFIRST Program will provide significant public benefits, including without limitation, savings in effective interest rate, bond preparation, bond underwriting and bond issuance costs and reductions in effective user charges levied by water and electricity providers within the boundaries of the City.

Section 2. In connection with the CaliforniaFIRST program, the City hereby consents to the conduct of special assessment proceedings by California Communities pursuant to Chapter 29 on any property within the Proposed Boundaries and the issuance of Bonds under the 1915 Act; provided, that

- (3) The City will not be responsible for the conduct of any assessment proceedings; the levy or collection of assessments or any required remedial action in the case of delinquencies in such assessment payments; or the issuance, sale or administration of the Bonds or any other bonds issued in connection with the CaliforniaFIRST Program; and
- (4) The issuance of Bonds will occur following receipt of a final judgment in a validation action filed by California Communities pursuant to Code of Civil Procedure Section 860 that the Bonds are legal obligations of California Communities.

Section 3. Pursuant to the requirements of Chapter 29, California Communities has prepared and will update from time to time the “Program Report” for the CaliforniaFIRST Program, and California Communities will undertake assessment proceedings and the financing of Improvements as set forth in the Program Report.

Section 5. The City Council hereby finds that adoption of this Resolution is not a “project” under the California Environmental Quality Act, because the Resolution does not involve any commitment to a specific project which may result in a potentially significant physical impact on the environment, as contemplated by Title 14, California Code of Regulations, Section 15378(b)(4)).

Section 6. This Resolution shall take effect immediately upon its adoption. The City Clerk is hereby authorized and directed to transmit a certified copy of this resolution to the Secretary of California Communities.

**FORM OF RESOLUTION DECLARING INTENTION  
TO FINANCE INSTALLATION OF  
DISTRIBUTED GENERATION RENEWABLE ENERGY SOURCES,  
ENERGY EFFICIENCY AND WATER EFFICIENCY IMPROVEMENTS**

**RESOLUTION NO. \_\_\_\_\_**

**RESOLUTION DECLARING INTENTION TO FINANCE INSTALLATION OF  
DISTRIBUTED GENERATION RENEWABLE ENERGY SOURCES, ENERGY  
EFFICIENCY AND WATER EFFICIENCY IMPROVEMENTS**

**COUNTY OF SANTA CLARA**

**WHEREAS**, the California Statewide Communities Development Authority ("California Communities") is authorized under the authority granted California Communities pursuant to Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California in accordance with Chapter 29 of Part 3 of Division 7 of the Streets & Highways Code of the State of California ("Chapter 29") to authorize assessments to finance the installation of distributed generation renewable energy sources, energy efficiency and water efficiency improvements that are permanently fixed to real property ("Authorized Improvements"); and

**WHEREAS**, Chapter 29 authorizes California Communities to enter into contractual assessments to finance the installation of Authorized Improvements in the County of Santa Clara (the "County"); and

**WHEREAS**, California Communities wishes to declare its intention to establish a CaliforniaFIRST program (the "CaliforniaFIRST Program") in the County, pursuant to which California Communities, subject to certain conditions set forth below, would enter into contractual assessments to finance the installation of Authorized Improvements in the County;

**NOW, THEREFORE, BE IT RESOLVED** by the California Statewide Communities Development Authority, as follows:

**Section 1. Findings.** California Communities hereby finds and declares the following:

- (a) The above recitals are true and correct.
- (b) Energy conservation efforts, including the promotion of energy-related Authorized Improvements to residential, commercial, industrial, or other real property, are necessary to address the issue of global climate change and the reduction of greenhouse gas emissions in the County.
- (c) Water conservation efforts, including the promotion of water-related Authorized Improvements to residential, commercial, industrial, or other real property, are necessary to address the issue of chronic water shortages in California.

(d) The upfront cost of making residential, commercial, industrial, or other real property more energy and water efficient, along with the fact that most commercial loans for that purpose are due on the sale of the property, prevents many property owners from installing Authorized Improvements.

(e) A public purpose will be served by establishing a contractual assessment program, to be known as the CaliforniaFIRST Program, pursuant to which California Communities will finance the installation of Authorized Improvements to residential, commercial, industrial, or other real property in the County.

**Section 2. Determination of Public Interest.** California Communities hereby determines that (a) it would be convenient, advantageous, and in the public interest to designate an area, which shall encompass the entire geographic territory within the boundaries of the County, within which California Communities and property owners within the County may enter into contractual assessments to finance the installation of Authorized Improvements pursuant to Chapter 29 and (b) it is in the public interest for California Communities to finance the installation of Authorized Improvements in the County pursuant to Chapter 29.

**Section 3. Identification of Authorized Improvements.** California Communities hereby declares that it proposes to make contractual assessment financing available to property owners to finance installation of Authorized Improvements, including but not limited to those improvements detailed in the Report described in Section 8 below, as that Report may be amended from time to time.

**Section 4. Identification of Boundaries.** Contractual assessments may be entered into by property owners located within the entire geographic territory of the County; provided, however, that California Communities shall not enter into contractual assessments to finance the installation of Authorized Improvements with the owner of any property in the County unless requested to do so first by the County if the property is located in unincorporated territory or a city if the property is located in incorporated territory and after such city or the County, as applicable, has held a public hearing pursuant to Section 6586.5 of the Government Code of the State of California. The form of resolution pursuant to which cities may request California Communities to enter into contractual assessments to finance the installation of Authorized Improvements is attached as Exhibit A.

**Section 5. Proposed Financing Arrangements.** Under Chapter 29, California Communities may issue bonds pursuant to Chapter 29 that are payable by contractual assessments and California Communities may advance its own funds to finance work to be repaid through contractual assessments, and may from time to time sell bonds to reimburse itself for such advances. Division 10 (commencing with Section 8500) of the Streets & Highways Code of the State (the "Improvement Bond Act of 1915") shall apply to any bonds issued pursuant to Chapter 29, insofar as the Improvement Bond Act of 1915 is not in conflict with Chapter 29.

California Communities shall determine the creditworthiness of a property owner to participate in the financing of Authorized Improvements based on the criteria developed by the Program Manager in consultation with the CaliforniaFIRST Program financing team and on file with the Secretary.

In connection with bonds issued under the Improvement Bond Act of 1915 that are payable from contractual assessments, serial and/or term improvement bonds shall be issued

in such series and shall mature in such principal amounts and at such times (not to exceed 20 years from the second day of September next following their date) and at such rate or rates of interest (not to exceed the maximum rate permitted by applicable law) as shall be determined by California Communities at the time of the issuance and sale of the bonds. The provisions of Part 11.1 of the Improvement Bond Act of 1915 shall apply to the calling of the bonds. It is the intention of California Communities to create a special reserve fund for the bonds under Part 16 of the Improvement Bond Act of 1915. California Communities will not advance available surplus funds from its treasury to cure any deficiency in the redemption fund to be created with respect to the bonds; provided, however, that this determination shall not prevent California Communities from, in its sole discretion, so advancing funds. The bonds may be refunded under Division 11.5 of the California Streets and Highways Code or other applicable laws permitting refunding of the bonds, upon the conditions specified by and at the determination of California Communities.

California Communities hereby authorizes the Program Manager, upon consultation with bond counsel and the CaliforniaFIRST Program underwriter, to provide for the issuance of bonds payable from contractual assessments.

In connection with the issuance of bonds payable from contractual assessments, California Communities expects to obligate itself, through a covenant with the owners of the bonds, to exercise its foreclosure rights with respect to delinquent contractual assessment installments under specified circumstances.

**Section 6. Public Hearing.** Pursuant to the Act, California Communities hereby orders that a public hearing be held before this Commission, at \_\_\_\_\_, on \_\_\_\_\_, \_\_\_\_\_, 2010 at \_\_\_\_\_ a.m., for the purposes of allowing interested persons to object to or inquire about the proposed program or any of its particulars. The public hearing may be continued from time to time as determined by the Commission for a time not exceeding a total of 180 days.

At the time of the hearing, the Report described in Section 8 below shall be summarized and the Commission shall afford all persons who are present an opportunity to comment upon, object to, or present evidence with regard to the proposed contractual assessment program, the extent of the area proposed to be included within the program, the terms and conditions of the draft Contract described in Section 8 below, or the proposed financing provisions. Following the public hearing, California Communities may adopt a resolution confirming the Report (the "Resolution Confirming Report") or may direct the Report's modification in any respect, or may abandon the proceedings.

The Commission hereby orders the Secretary to publish a notice of public hearing once a week for two successive weeks. Two publications in a newspaper published once a week or more often, with at least five days intervening between the respective publication dates not counting such publication dates, are sufficient. The period of notice will commence upon the first day of publication and terminate at the end of the fourteenth day. The first publication shall occur not later than 20 days before the date of the public hearing.

**Section 7. Notice to Water and Electric Providers.** Pursuant to Section 5898.24 of the Streets & Highways Code, the Commission hereby orders the Secretary to provide written notice of the proposed contractual assessment program within the County to all water and electric providers within the boundaries of the County not less than 60 days prior to adoption of the Resolution Confirming Report.

**Section 8. Report.** The Commission hereby directs the Program Manager for the CaliforniaFIRST Program to prepare and file with the Commission a report (the "Report") at or before the time of the public hearing described in Section 6 above containing all of the following:

(a) A map showing the boundaries of the territory within which contractual assessments are proposed to be offered, as set forth in Section 4 above.

(b) A draft contract (the "Contract") specifying the terms and conditions that would be agreed to by California Communities and a property owner within the County. The Contract may allow property owners to purchase directly the related equipment and materials for the installation of the Authorized Improvements and to contract directly for the installation of such Authorized Improvements.

(c) A statement of California Communities' policies concerning contractual assessments including all of the following:

(1) Identification of types of Authorized Improvements that may be financed through the use of contractual assessments.

(2) Identification of California Communities official authorized to enter into contractual assessments on behalf of California Communities.

(3) A maximum aggregate dollar amount of contractual assessments in the County.

(4) A method for setting requests from property owners for financing through contractual assessments in priority order in the event that requests appear likely to exceed the authorization amount.

(d) A plan for raising a capital amount required to pay for work performed pursuant to contractual assessments. The plan may include amounts to be advanced by California Communities through funds available to it from any source. The plan may include the sale of a bond or bonds or other financing relationship pursuant to Section 5898.28 of Chapter 29. The plan shall include a statement of or method for determining the interest rate and time period during which contracting property owners would pay any assessment. The plan shall provide for any reserve fund or funds. The plan shall provide for the apportionment of all or any portion of the costs incidental to financing, administration, and collection of the contractual assessment program among the consenting property owners and California Communities.

(e) A report on the results of the consultations with the County Auditor-Controller described in Section 10 below concerning the additional fees, if any, that will be charged to California Communities for incorporating the proposed contractual assessments into the assessments of the general taxes of the County on real property, and a plan for financing the payment of those fees.

**Section 9. Nature of Assessments.** Assessments levied pursuant to Chapter 29, and the interest and any penalties thereon, will constitute a lien against the lots and parcels of land on which they are made, until they are paid. Unless otherwise directed by California Communities, the assessments shall be collected in the same manner and at the same time as the general taxes of the County on real property are payable, and subject to the same penalties and remedies and lien priorities in the event of delinquency and default.

**Section 10. Consultations with County Auditor-Controller.** California Communities hereby directs the Program Manager to enter into consultations with the County Auditor-Controller in order to reach agreement on what additional fees, if any, will be charged to California Communities for incorporating the proposed contractual assessments into the assessments of the general taxes of the County on real property.

**Section 11. Preparation of Current Roll of Assessment.** Pursuant to Section 5898.24(c), California Communities hereby designates the Program Manager (or his/her designee) as the responsible official for annually preparing the current roll of assessment obligations by assessor's parcel number on property subject to a voluntary contractual assessment.

**Section 12. Procedures for Responding to Inquiries.** The Program Manager shall establish procedures to promptly respond to inquiries concerning current and future estimated liability for a voluntary contractual assessment.

**Section 13. Professionals Appointed.** California Communities hereby appoints Jones Hall, A Professional Law Corporation, San Francisco, California, as bond counsel to California Communities in connection with the CaliforniaFIRST Program. The Commission hereby authorizes and directs an Authorized Signatory of California Communities (as determined from time to time by the Commission by separate resolution) to enter into appropriate agreements with such firm for its services to California Communities in connection with the matters addressed in this Resolution.

**Section 14. Set-Up Fees.** The County and various cities within the County have advanced fees to California Communities to pay for certain costs of establishing the CaliforniaFIRST Program, some or all of which represent State Energy Program (SEP) funds. The Program Manager is hereby authorized and directed to return to the County and cities, as applicable, any fees paid to California Communities by the County and cities, as applicable, that do not represent SEP funds and that California Communities does not use to pay for the costs of establishing the CaliforniaFIRST Program.

**Section 15. Effective Date.** This resolution shall take effect immediately upon its adoption.
