Los Altos, Calif. — September 23, 2024 — The Los Altos Police Department is releasing a sketch and description of the suspect involved in an assault with a deadly weapon that occurred on Monday, September 16, sometime in the late morning to mid-afternoon, in the area of Foothill Expressway and Highway 280.

The suspect is described as a White male, possibly twenty to forty years of age, approximately 6' tall, 180 pounds, with a thin to average build. The suspect wore a long-sleeve shirt, pants, and possibly a baseball cap.

This is an active investigation, and information will be released as it becomes available.
