## Public Sculpture Loan Program

---

The Public Outdoor Sculpture Loan Program, which was launched in 1986, is the primary focus of the Los Altos Public Arts Commission. Many sculptures that are now City property, were once part of the Public Sculpture Program and were loaned to the City by the artist.

Pieces are loaned to the City for a period of 2 years, and upon conclusion of the loan period are either reloaned by the artist for an additional 2 year period or removed. On occasion, the pieces are donated to the City by either the artist or a third party/ parties who purchase the piece for the City.

To download an application for placement of a sculpture in Los Altos, please visit the City website at [www.losaltosca.gov/publicart](http://www.losaltosca.gov/publicart).
