AGENDA ITEM # 2

TO: Public Arts Commission

FROM: Jon Maginot, Staff Liaison

SUBJECT: Community Center Art

RECOMMENDATION: Receive an update from the subcommittee to discuss potential art for the new community center and provide feedback as needed

BACKGROUND

In Fall 2018, the Public Arts Commission (PAC) appointed a subcommittee of Vice Chair Waldman and Commissioners King and Rini to discuss potential artwork for the new community center.

DISCUSSION

The subcommittee has met with City staff and the architects for the community center. Those discussions have centered around the process for selecting and acquiring artwork for the new community center. Based on those discussions, the subcommittee and staff recommend that the City engage the services of a consultant to help identify artists and select artworks for placement at the new community center.

At the May 14, 2020 PAC meeting, the PAC discussed options for placing art at the community center and determined to continue the item to the May 28, 2020 meeting.
