AGENDA ITEM # 3

TO: Public Arts Commission

FROM: Jon Maginot, Staff Liaison

SUBJECT: History Museum Artistic Bicycle Racks

RECOMMENDATION: Consider the placement of artistic bicycle racks near the History Museum

BACKGROUND

The History Museum is considering the purchase and placement of two artistic bicycle racks near the History Museum.

DISCUSSION

As the History Museum is on City land, the actual placement of racks will need to be approved by the City. The History Museum is considering two racks, one to be placed near the J. Gilbert Smith House and the other to be placed between the Museum and the new community center.
