Joint Logo

The Outreach Subcommittee and City Staff met to discuss the possibility of a joint logo for the combined City of Los Altos & the Town of Los Altos Hills Senior Commission. The Outreach Subcommittee would like to potentially utilize the joint logo for outreach purposes.

City Staff inquired as to whether or not a joint logo could be utilized. The one that was located is questionable as we do not know who created and who has the rights to it. Also, use of a joint logo would need to be approved by City Council. City Staff currently recommends to continue use of the City Seals side by side as we use them for the Commission agendas and reports.
