Discussion

New Business

1. **Speaker's Forum** – Commissioner Weed has had no luck in contacting Stanford Hospital. There have been no return calls. Robert Acosta informed the commission that Council Member Casto may have some contacts also. She has been in touch with some people and will help find a speaker for the commission if they need her help.

Old Business

2. **“The Project” update – Cesar Zapata** – Cesar Zapata informed the commission that the next event was scheduled for May 11, 2001. The event will be done like the last one and he would like the committee that was formed (Commissioners Coddling, Garcia, Samani, Weed) to help out again. The committee agreed.

Other Matters

Commissioners realized that not enough of them would be able to attend the April 16 meeting due to Spring Break so it was decided to cancel that meeting.

All of the seniors on the commission said that they could extend their term until the end of May, or until a new commission was seated.

Adjournment

The meeting was adjourned at 8:25pm
