### Discussion

New Business

- 1. Mid-Peninsula Regional Open Space District – Commissioner Coddling** – Commissioner Coddling would like this issue tabled until the next meeting.
- 2. San Jose Family Shelter – Commissioner Weed** – Commissioner Weed talked to the shelter and was told it can't be an all community project, that is must be limited to Youth Commission. The group can work with the "Friends of the Shelter" and do a project on Sundays, or we can do a project on our own. Commissioner Cornelius would rather see the commission to a project on their own, like a clean-up project or a homework project. Commissioner Coddling would rather see the commission do a project hanging out with kids at the shelter on a weekday.  
  
After some discussion, **Commissioner Coddling moved to do a project on February 10, 2001 from Noon- 4pm at the San Jose Family Shelter. Commissioner Fischer Second.** Unanimous. Commissioner Weed will contact the shelter to work out the details.
- 3. YWCA Band Project** – The people that wanted this item on the agenda were not present so this item was removed.
- 4. Underground Art Project** – There is support from the Art Department at Los Altos High School for this project. Staff will take the necessary steps to get this project underway.

5. **“The Great Gathering”** – The commissioners agreed that this would be a good event for them to attend. **Commissioner Weed moved to attend the Great Gathering. Commissioner Stephenson second. Unanimous.**
