### Discussion

New Business

1. **2000-2001 Youth Commission** – All commissioners present were reminded of the time commitment that was needed for the commission and asked if they would still like to be members. Commissioner Lin mentioned that she would longer be able to attend the Wednesday meetings, but would still like to remain a member. The other commissioners also wanted to remain the members for the 2000-2001 school year.
2. **Speaker's Forum (New Topic)** – The commissioners were unsure which topic should be addressed at the next speaker's forum. They asked Robert Acosta to bring the results of the survey to the next meeting and this issue will be tabled until then.
3. **"The Night"** – See below
4. **Band Night** – See below
5. **Underground High School Event** – See below

Commissioners agreed that all three events could be done during the school year. **Commissioner Coddling moved that the events be done in the following order: Underground event, "The Night", Band Night. Commissioner Stephenson seconded. The motion passed unanimously.** It was decided that the Underground High School event would be planned for October, "The Night" on November 17, 2000, and Band Night will be held in the spring (possibly April) when it's warm.

6. **Sign up for City Council Meetings** – Commissioners all signed-up to attend City Council Meetings for the remainder of the calendar year.
